Welcome to my world
Tonight I'm feeling all alone
Welcome to my world
Can you feel it
Can you feel it
What do I gotta do
To make you love me?
What do I gotta do
To make you care?
What do I gotta say
To make you feel this?
Open up your heart
There's a world for us to share yeah
Chorus:
Welcome to my world
Tonight I'm feeling all alone
Welcome to my world
I know I'm not the only one
Welcome to my world
Why don't you make
Our house a home
And Welcome to my
Welcome to my world
Can you feel it
I don't wanna need you,
Cause I just can't have you
I don't wanna want you,
You're nowhere near to touch
Now that you're gone
I see it all so clearly
I can't take no more because babe it's
All too much
Yeahyeahyeahyeahyeah
Chorus:Welcome to my world
Tonight I'm feeling all alone
Welcome to my world
I know I'm not the only one
Welcome to my world
Why don't you make
Our house a home
And Welcome to my
Welcome to my world

Can you feel it
Chorus:Welcome to my world
Tonight I'm feeling all alone
Welcome to my world
I know I'm not the only one
Welcome to my world
Why don't you make
Our house a home
And Welcome to my
Welcome to my world
Can you feel it
