With a girl like me
uh-huh uh-huh he he
With a girl like me
We just talk about
Men, men, men, men

Verse1

Men do what they want to
Always wanna run with their crew
I dunno who to blame
But its time for a change
cos it stays the same and
we give in but we dont have to
and we listen to the lies they gave you
ive seen it before
ive seen it again
its about that time
that they want revenge

chorus

Do you see yourself with a girl like me
taking numbers from the fellas from 1 to 3
cant pop that trap better watch your back
i dont take no crap cant get with that
(repeat)

verse2

i been through all i have to (what, what)
now i do what i gotta do
men can choose who they want
may the best man win no need to fight yeh
cant say that im playing a game
but if i were a man it would be the same
it doesnt hurt us and you ruin my shit
most men know they cant handle this
yeh

chorus

oh oh oh, ohh ohh
oh oh oh, ohh ohh
do you see yourself (uh huh)

with a girl like me
do you see yourself (uh huh)
with a girl like me
(With a girl like me)
do you see yourself (uh huh)
with a girl like me
(Most men know they cant handle this yeh)

chorus
