[Her:] "Why are you worshipping a human genocide?"

[I:] "I'm watching the downfall,  
My sex on, on cold marble,  
Licking tears of mankind's cry !

I didn't stop, I just stole  
And speaking hot  
Of my corporal punishment"

[Her:] "Hey, see it later !"

[I:] "Death mas mine, thank you"

[Her:] "Talk to me, my pleasure  
Are you smoking to forget?"

[I:] "Oblivion  
Always the utter sorrow  
-Last hope - last love-"

[Her:] "Something I can hate for you?  
You're more alive"

[I:] "I forgot to appreciate life  
It's too late for me"

[Her:] "No, no, no, no  
This is life  
Right here  
Noooo! This is life

Right here  
Right now  
Take it  
Globe my breast  
Let you be Atlas  
My ever ending spere  
Oh, please!!!!!"

[I:] "Thank for being the one bit of light  
In an ever darken dream  
Ever darken dream"

[Her:] "I wanna know"

[I:] "I don't believe you !"

[Her:] "I wanna know ?"

[I:] "Shark nacle of blood  
For how long I praise  
The beauty of the aquatic city?  
I am dead for 23 years now  
Hell is right !"

[Her:] "Who was the murderer ?"

[I:] "I was... sure..."
