[The misanthropic vision of this social fact, which is a burial. Rites]

[sincere remark.]

Your corpse will be purified
Infested of starving worms
Your flesh returns to the earth
Forever lie in your own secretions

Watch out from your coffin
Mankind spit you on your tomb
Rehearsing their sempiternal words
Ashes to ashes - Dust to dust

Where is the toll for your earth sins

Your prayers are shadows
Face the underworld

[chorus]
Inaugurated funeral
Socially incompatible
With those ethnic rites
Paradoxical burial

Asleep in this new bedroom
For your neverending night
During your unknown visions
Contact me from the other side

World of perfect harmony
Concrescence of human wish

[chorus]

God protection for ones
Atheism for others
Father let them rot
We are all the same

[chorus]
