(Paul Barry/Billy Lawrie/Mark Taylor)

Everybody's moving to a heartbeat, stepping out in time.
Right across the city and the back streets, this is what you'll find.
You step inside the rhythm, everything's forgiven.
Can't you feel the music heal the pain in every heart?

I believe in the power of music, put my faith in the power of love
Hooked on a feeling and I'm gonna use it
'Cause I know, I know music is the power of love.

Everyone, looking for an answer, says it's hard to find.
I don't think you're ever going to find it, searching with your mind.
So let the spirit guide you, moving right inside you.
Can you feel the music steal the beat in every heart?

I believe in the power of music, put my faith in the power of love
Hooked on a feeling and I'm gonna use it
'Cause I know, I know music is the power of love.
I feel the power, I feel the power, I feel the power of music.
I feel the power, I feel the power, I feel the power of music.

So let the spirit guide you, moving right inside you.
Can you feel the music steal the beat in every heart?

I believe in the power of music, put my faith in the power of love
Hooked on a feeling and I'm gonna use it
'Cause I know, I know music is the power of love.
I feel the power, I feel the power, I feel the power of music.
I feel the power, I feel the power, I feel the power of music.
