There's something in the air tonight  
I feel it in my skin  
The pleasure coming in  
Nothing's gonna change my mind  
I'm slowly giving in

I hope it never ends before the sun appears  
Turning the ocean to blue  
I'm swimming in a different  
Point of view

I feel so high I don't know why  
It happens when I'm with you  
I feel so high I don't know why  
I wear it like a new tattoo  
Like a flaming heart with your name inside it  
You, you're under my skin and I just can't hide it  
So don't fade to blue  
Cause I need you  
Yeah, yeah, yeah

Never thought it'd be like this  
You kinda like a scar  
And "X" across my heart  
It hits me and I can't resist  
Gives me what I need  
Addicted but

I'm free when I'm alone with you  
Floating on top of the earth  
Carelessness like gravity  
In reverse

I feel so high I don't know why  
It happens when I'm with you  
I feel so high I don't know why  
I wear it like a new tattoo  
Like a flaming heart with your name inside it  
You, you're under my skin and I just can't hide it  
So don't fade to blue  
Cause I need you  
Yeah, yeah, yeah
