Don't go  
I know you can do  
It s the last chance for me and for you  
It's easier - destroy than built  
One step and feelings are killed

I'm sorry  
It was my crime  
One step over this line  
Love tricks have turned to betrayal  
No winners at the end of this game

No, baby boy  
Tears are not salvation  
Know, baby boy  
My soul devastation  
Just some advice  
And try to believe  
To forget is better than to forgive

Temptation  
Was stronger than me  
I'm loser - as you can see  
One hour and no years of love  
One hour - again I'm alone
