All shut up! Don't break the silence!  
The sleep of angels prevents violence  
Blades of angels will protect  
Golden billion will dominate

Sleep sleep sleep  
My fading world  
Handmade angels keep us all  
Dissipate  
Your mad mad life  
Angels still are on our side

Pray for peace - prepare for war  
The base of human life is these words  
Will to live  
Will to survive  
Will to rule and to divide

Stop right now  
Reflect about  
What you'll lose when last war start?  
Work and house  
Your credit noose  
Think sometimes: what do they lose?

Angels of silence  
Freedom and calm  
Angels of justice  
Fly one by one

Keep the silence, cold steel Angels  
From second sunrise of innocence  
Save from pain and torture, Angels  
Keep the peace for human race

5 4 3 2 1 Start the Angels

Angels of silence  
Bringers of peace  
Angels of justice  
World is on it's knees
