[Verse 1]

Don't fuck up yourself  
This world not for us  
All is divided,  
All is sold out.

[Bridge:]

Hide your tears  
Deep in your eyes  
Watch the dawn  
Of world demise  
Hide your fear  
It's not the end  
But you can't stop  
This decay dance

[Repeat:]

Let's dance, my friend  
This Decay Dance  
No will - no force  
To stop this process  
Let's dance, my friend  
This Decay Dance  
No fear, no fate  
And no regrets

[Verse 2]

Shut up your voice  
Useless and weak  
One man is zero  
We are just a meat

[Bridge:]

Hide your tears  
Deep in your eyes  
Watch the dawn  
Of world demise  
Hide your fear  
It's not the end  
But you can't stop  
This decay dance

[Repeat:]  
Let's dance, my friend  
This Decay Dance  
No will - no force  
To stop this process  
Let's dance, my friend  
This Decay Dance  
No fear, no fate  
And no regrets
