New world  
New age  
New conception  
It's time to shake this world

We start the styles mutation  
Destroying all their laws

Enraged  
We rise  
We feel the shine of Stars  
Inspired  
By hate  
New style we shall create

Follow the light of stars

Unorthodoxy  
Open-minded  
Dance metal  
Meat machine  
Release all your perception  
Wake up and try to feel

Enraged  
We rise  
We feel the shine of Stars  
Inspired  
By hate  
New style we shall create

Follow the light of stars

By the will of kings  
By the trance of gods  
We follow the stars of disappearing world  
Follow the stars  
Burn the bridges out  
Follow the stars  
New age of metal rise

New world

New age  
New reflection  
We start t to shake this world

We start the styles mutation  
Destroying all their laws
