I was on my way  
To a needle factory  
Up and coming prospects  
Was a waiting there for me  
I was selling my wares  
Three bucks a share  
Three bucks a share  
Three bucks a share

I was walking down  
Down a rocky road  
And found a noisy rising sun  
And a quietly burning moon  
They were standing in time  
Standing in time  
Standing in time  
(Waiting for a) fantastic time  
Standing in line

Like a stallion chasing fear itself  
Watching God sit up on His shelf  
We were restless  
We were restless  
We were restless  
But we had to keep on going  
We were restless

I was looking high  
But I was feeling low  
Sun said "Man don't sweat"  
The moon kept still and glowed

The truth is in the eyes  
Of common mortal man  
And you can believe  
It's all in the grief  
It's all in the grief of Satan  
Truth is in the eye  
The truth is in the eye

The truth is in the eye  
The truth is in the eye
