Rodgers)
Well my maker
Must have been a hard
Heartbreaker
I said my maker
Must have been a hard
Heartbreaker

I'll tell you why-
I'm breaking my own heart
Trying to love a lover

Like a blind man
My little house is on fire
Just like a blind man
My little house is on fire

I'm burning my own eyes out
Trying to reach the door

The sun is shining
But it sure don't seem to reach my heart
My heart is cold
The sun is shining
But it sure don't seem to reach my heart

I'm wasting my whole life
Trying to make a new start

To make a new start
Trying to make a new start
