Here is the cup that holds your chances (all hail the  
king of the sea)  
Here is the fruit of the sea  
Take this wine and toast your new life (all hail the king  
of the sea)  
Parade your watery state  
C Here your reporter treads water / Here your reporter  
loses his air  
Here your reporter treads water / Here lies your future  
Here you are, the watery power / King of liquids and  
prince of thirst--C
