Title: Letting Go

You can look away, but you can't disguise
The light that shines so brightly, is gone from your
eyes
It wasn't my mistake, it's nothing you did wrong
Sometimes learning to surrender is the same as being
strong

Letting go
letting go
the hardest part is knowing that I'll miss you so
I'd like to wish you well oh but it hurts you know
Sometimes doin what is right
Means letting go
Yeah

As we walk away, leaving it all behind
I hope we will be satisfied with what we find
If it's not love you want I hope it's good enough
To make you worth the precious things we're given up

Letting go
Letting go
the hardest part is knowing that I'll miss you so
I'd like to wish you well, hey, but it hurts you know
Sometimes doin what is right
Means letting go

Sometimes late at night, I can't believe the things I did
An angel comes to me and whispers in my ear
Saying there's a time to reap and a time to sew
A time for holdin on
And a time for you
Just for

Letting go
Letting go
the hardest part is knowing that I'll miss you so
I'd like to wish you well, girl, but it hurts you know
Sometimes doin what is right

Means letting go

I'd like to wish you well oh but it hurts you know
Sometimes doin what is right
Means letting go

Oh
