I was born on the muddy water
I didn't know right from wrong
My Ma said now look here son
I'll show you how it's done

Take you a woman
And treat her right
And she'll be by your side
Every night and day
But the t time you deceive her
You've broken her spell
But then I had bad blood
Like a fool I fell where I stood
I was walking in the rain
With my shoes untied
Tryin' to find a dry place to hide
To hide
Hide
I was walking in the rain
With my shoes untied
Tryin" to find a dry place m hide
Well I'd rather sleep than say a word
I don't believe a word is heard
The first time I deceived you
I held it inside

Take you a woman
And treat her right
She'll be by your side
Every night and day
But the first time you deceive her
You've broken her spell

I held it inside
Like a fool I swallowed my pride
I was walking in the rain
With my shoes untied
Tryin' to find a place to hide
I was walking in the rain

With my shoes untied
Tryin' to find a d place to hide
I was walking in e rain
