respect yourself

if you disrespect anybody that you run in to
how in the world do you think anybody's s'posed to
respect you
if you don't give a heck 'bout the man with the bible in
his hand
just get out the way, and let the gentleman do his thing
you the kind of gentleman that want everything your
way
take the sheet off your face, boy, it's a brand new day

respect yourself, respect yourself
if you don't respect yourself
ain't nobody gonna give a good cahoot, na na na na
respect yourself, respect yourself

if you're walking round think'n that the world owes you
something
cause you're here
you goin' out the world backwards like you did when
you first
come here
keep talkin' bout the president, won't stop evolution
put your hand on your mouth when you cough, that'll
help the
solution
oh, you cuss around women and you don't even know
their names
and you dumb enough to think that'll make you a big ol
man
