Well the train I ride
Is leaving the station
And the train I ride
To my destination

I was walkin'
Now I'm trevellin' in style
I was walkin'
Now I've got me a ride

Well I've got no need.
For no company
Got my blues guitar
That's all I need

I ain't walkin'
Now I'm travellin' in style
I ain't walkin'
Now I've got me a ride

I think I've come to
The end of my song
If you feel you want to
Why don't you sing along

I ain't walkin'
Now I'm travellin' in style
I ain't walkin'
Now I've got me a ride
