It's criminal there ought to be a law
Criminal there ought to be a whole lot more
You get nothin' for nothin'
Tell me who can you trust
We've got what you want
And you've got the lust
Chorus:
You've got it
If you want blood
You've got it
Blood on the streets blood on the rocks
Blood in the doorways every last drop
You want blood
You've got it
It's animal livin' in a human zoo
I't animal livin' in a human zoo
Feelin' like a Christian
Locked in the cage
Thrown to the lions on a second's rage
Chorus
Blood on the rocks blood on the streets
Blood in the sky blood on the seats
If you want blood
You've got it
I want you to bleed for me
If you want blood
You've got it..
