Zombie Jamboree

spoken 2x: Back to Back, ha ha ha ha

Yes my friend... Belly to Belly

I said huh!

sung:

It was a Zombie Jamboree, took place in the NY
cemetary

It was a Zombie Jamboree, took place in the NY
cemetary

Zombies from all parts of the island

Some of them were great calypso-nians

Slnce the season was cannibal

They got together in Bacaloh (?)

chorus:

And they were singing

Back to back, belly to belly

Well I don't give a damn cause I'm stone dead
already

Back to back, belly to belly, It's a Zombie Jamboree

One female zombie she wouldn't behave

See how she's dancing out of the grave

In one hand she's holding a quart of rum

The other hand was knocking a conga drum

You know the lead singer starts to make his rhyme

While the other zombies rockin' in time

One bystander he had this to say

It was a trip to see the zombies break away

[chorus]

spoken: Back to back, everyone we sing

Back to back & belly to belly

Then back to back, a 1-2-3-4

What a Zombie Jamboree from Times Square to the
statue of liberty

Uptown, downtown Zombie Jamboree, zoah woah,
whoa yeah-ee-yeah

ThereUs a high wire zombie Ttween the World Trades
A King Kong zombie on the Empire State
But the biggest zombies Tokyo to Rome
The zombies who call this city home
spoken: Huh! What they do! Huh!

[chorus]
spoken: We do the limbo!
[chorus]
Hey hey hey hey
