This can't go on.  
It's for the best of us.  
I can't seem to stop the tears rolling down and forcing  
on a smile.  
Don't wanna show my tears.  
I would be so less of a man.  
I couldn't even do the one thing. How foolish can I be?

Please forget our memories. Baby please forget our  
memories.  
Just leave and don't ever come back to me.  
You don't deserve a guy like me.  
Don't look back just turn away  
Baby don't look back just turn away.  
I know I'll regret it.  
But I just want what's best for you and me.

I will be fine.  
I always will be fine.  
I'll do anything to make you happy.  
That's what I desire.  
But this is hard for me.  
I can not even find the words to say to you what is on  
my mind.  
How foolish can I be?

Please forget our memories. Baby please forget our  
memories.  
Just leave and don't ever come back to me.  
You don't deserve a guy like me.  
Don't look back just turn away  
Baby don't look back just turn away.  
I know I'll regret it.  
But I just want what's best for you and me.

And though I gave her up in my life.  
She will never live deep in my heart.  
Things did not go according to the plan.  
Whoa yeah~  
I made my decision of letting go but I can't seem to  
know why I keep holding on to her.  
Oh whoa~

Please forget our memories. Baby please forget our memories.

Just leave and don't ever come back to me.

You don't deserve a guy like me.

Don't look back just turn away

Baby don't look back just turn away.

I know I'll regret it.

But I just want what's best for you and me.

Ooh~ Whoa~

I just want what's best for~ you and me.
