Money Money Money Money Money
Money Money Money Money Money Money
(2x)

I know a better place
I'll take you there with me tonight
We'll dance the night away
To a rhythm that's so fine

Looking at the stars (O ang ganda)
Looking at the moon (Halika na!)
You'll find that there is nowhere that you'd rather be
than here

With you by my side, oh tell me your mine
Then hold me so tightly, and tell me tonight

Bulungan mo o ipakita mo sa akin
Tunay nating pag-ibig
Ikaw ay natatangi, ika'y walang kaparis
Di ko na sila pansin
Lumapit ka sa akin at aking sasabihin
Gaano ko ikaw minamahal
Naiiba ka sa lahat
Much more to me than money

I don't care what they say
Ikaw lang ang mahal ko
I can't see it their way
Matigas daw ang ulo ko
If you think I'm crazy
Okay lang sa akin
I just want you baby
Yakapin mo ako BABY

Bulungan mo o ipakita mo sa akin
Tunay nating pag-ibig
Ikaw ay natatangi, ika'y walang kaparis
Di ko na sila pansin
Lumapit ka sa akin at aking sasabihin
Gaano ko ikaw minamahal
Naiiba ka sa lahat
Much more than money (Repeat)

Bulungan mo o ipakita mo sa akin
Tunay nating pag-ibig
Ikaw ay natatangi, ika'y walang kaparis
Di ko na sila pansin
Lumapit ka sa akin at aking sasabihin
Gaano ko ikaw minamahal
