AKI:

When you need someone to

(Pick you up when you fall)

Someone to be there when

(Whenever you call)

Kiko:

I wanna be the person that you can turn to

When times get hard

Carlo:

I'll never let you go through

(Hard times alone)

I'll be the one that's there when

(Everyone's gone)

Arkin:

I wanna be the person that you can turn to

When everything's going wrong

MM&MJ;:

Through the good times and the bad

I will be there holding your hand

Through the happy and the sad

Together we will stay

XLR8:

I wanna be your SUPERHERO

Gonna catch you when you fall

I wanna be your SUPERHERO

Gonna be there through it all

I wanna be your SUPERHERO

Gonna catch you when you fall

I wanna be your SUPERHERO

Gonna be there through it all

AJ:

Don't be afraid to

(Put your trust in me)

I'll never let you down

(Just let go and you'll see)

Caleb:

I wanna be the one to rescue you

When you needed the most

MM&MJ;:

Through the good times and the bad

I will be there holding your hand

Through the happy and the sad

Together we will stay

XLR8:

I wanna be your SUPERHERO

Gonna catch you when you fall

I wanna be your SUPERHERO

Gonna be there through it all

I wanna be your SUPERHERO

Gonna catch you when you fall

I wanna be your SUPERHERO

Gonna be there through it all

Kiko:

I can walk through fire for you baby

They couldn't stop me if they try

MM:

So just hold on to me tightly as we

Soar into the sky
