Chorus:

Baby, You're so hot, hot, hot
You're burning me up
Baby, you're so hot, hot, hot
Said I can't get enough
Girl, you're on fire (fire)
And I'm caught in your flame
My temperature goes up
At the sound of your name

I.

Sa tingin ko ay isa kang top model
Katawan mo ay shaped just like a bottle
Mga mata kumikislap sa dilim
You stole my heart sa isang tingin

Refrain:

Sabihin mo kung anong kailangan kong gawin
Baby, I'll say anything to make you stay
Ibibigay ang buwan at mga bituin
Para sa'yo lahat gagawin

(Repeat Chorus 2x)

II.

Got me wondering, saan ka nanggaling?
Para kang anghel hulog ng langit
Mga mata kumikislap sa dilim
You stole my heart sa isang tingin

(Repeat Refrain)

Bridge;

Oh girl
You could be the one I've been waiting on
Can't fight it anymore this feeling strong
I'm burning to third degree
Tell me you feel me, feel me
Caught up in your beauty I'm mesmerized
You set my heart on fire one look in your eyes
And I'm burning, burning, oh~

(Repeat Chorus 2x)
