## "Wait For You"

Waltz around the house alone  
To the music in your head  
Lay in bed on rainy days  
And I'll hold you like a child and kiss your head  
But all these states are in my way  
So I won't be there tonight  
But soon the day will come  
When I wake up in a bed next to you  
I'll wait. I'll wait. I'll wait for you.

Waltz around the house alone  
Feel the boards below your feet  
But all these states are in my way  
So I won't be there tonight  
I'll drive all night  
And I'll follow the lights to see you again  
I'll wait. I'll wait. I'll wait for you.
