"A Wonderland Insane"

Visit "[A Wonderland Insane](#)" on MotoLyrics.com

Take a look into my eyes and witness a blackish
emptiness you've never seen before
A unique horror to anyone who hasn't seen what's
beyond infinity
Trapped in a labyrinth of madness, a gallery of hate
Beyond the edge of sanity, a wonderland insane
Welcome to my world
Where feelings disappear
No sorrows and no pleasures
Just a dreadful paradise of emptiness
Take a look into my soul and lose yourself - no way to
escape
Now you're trapped as me and myself, a one way ticket
to insanity
Trapped in a labyrinth of madness, a gallery of hate
Beyond the edge of sanity, a wonderland insane
Welcome to my world
Where feelings disappear
No sorrows and no pleasures
Just a dreadful paradise of emptiness
