"Day Of The Dead"

I'm trapped in silence
Before a setting sun
Across horizons
To where your bodies burn

Erasure
No pressure
A smoldering western sky
There is now no confusion
Your lies that told no lies

I cannot resurrect the living whom have died
El dia de los muertos, dia de los muertos
Or lay to rest dead that are alive
El dia de los muertos, dia de los muertos
An empty vessel, empty persona
Contrived

Borra la memoria
Rehuye al traidor
Sin remordimiento ni rencor
Cara a cara con la realidad

One day,
Remembrance,
And celebrate an end
To "friends"
That I will
Remember to forget

I cannot resurrect the living whom have died
El dia de los muertos, dia de los muertos
Or lay to rest dead that are alive
El dia de los muertos, dia de los muertos
An empty vessel, empty persona
Contrived
