You push me up
Against the wall
With your so called truth
Behind your back
I know you built your conviction on hollow ground
But time as time you rise again

I wanna kiss your boots
I wanna kiss your boots
I wanna shine your boots
I wanna kiss your boots

Gotta go to - burn
Put a bullet you cannot touch - die
You play your game for self pitiness
You start to cut the crap
Open up your mind

I wanna kiss your boots
I wanna kiss your boots
I wanna kiss your boots

Lets smash the face of opposition
Lets smash the face of opposition - you
Lets smash the face of opposition - ladies and gentlemen

You push me up
Against the wall
With your so called truth
Behind your back

I wanna kiss your boots
I wanna kiss your boots
I wanna shine your boots
I wanna kiss your boots

Live in fear
Live in fear

Lets smash the face of opposition - do

Lets smash the face of opposition - live in fear

Wanna kiss your boots - live in fear

Kiss your boots

Wanna kiss your boots - live in fear

Kiss your boots - ah! hahahahaha!

Wanna kiss your boots

Kiss your boots - live in fear

Wanna kiss your boots

Kiss your boots - ah! hahahahaha!

Wanna kiss your boots

Kiss your boots

Live in fear

Live in fear

Live in fear
