Criticise  
To crucify  
Don't dirty on your breast????  
So hide behind your mask  
Point of view  
???  
Solution is there  
Why don't you think for yourself

Strain of frustration  
My strain of frustration

Prejudise  
For your opinions  
???  
Forever to be true  
???  
You little fuck  
Don't you know your my enemy  
Every which, in every way???

Strain of frustration  
My strain of frustration - frustration  
Strain of frustration - frustration  
My strain of frustration - frustration

Frustration

Let's bring it all down  
???  
It's just strain of frustration  
Help let me out

Refuse to say  
Don't wanna learn  
The only way  
Is the way you've chosen  
For us all  
You choose self destruction  
Everyday  
But when you want to escape them

Don't look at me

Strain of frustration

My strain of frustration

Strain of frustration

My strain of frustration - frustration

???

Frustration

Strain of frustration

My strain of frustration

Strain of frustration
