Hold Up

Yeah, new release

From the borough of Brooklyn

3 ladies called XSo, cafe lets go

Pull up freeze

I just wanna get between your knees

That's too much to ask I'm in the breeze

Rooftop gone, Gucci top on All hot like popcorn shit

Kinda lucky you got me

Look ma you'd be nothing without me

Them debit cards easily revoke

Plus I'm from the hood I'm easily provoked

You won't get fresh off my account

Your name comes off of my account

And don't think

I won't make that red dot and give you pink eye

(Get outta here pow)

Now that we split up, you want me to give up

All that you gave but what about our love, in time

Can it be replaced, you never thought about me babe

I see you haven't changed a bit, 'cus you're still acting shy of it

Guess you forgot it I never was a silly chick

And you could never get back this,

You can stop always callin'

Complaining, stressing about something

Can I get it

All my love, can I get it back, no I can't

All my time, can I get it back, no I can't

Sold all my rings, can I get it back, no you can't

All you gave, can I get it back, no you can't, XSo

How can you blame me

You took my love and ran away

Expecting me to feel guilty

But what about my pain and tears

Can it be replaced
It's all been erased
Wanted you all back
I see you think I'm crazy

Guess you forgot it I never was a silly chick
And you could never get back this
You can stop always callin'
Complaining, stressing about something
Can I get it

All my love, can I get it back, no I can't
All my time, can I get it back, no I can't
Sold all my rings, can I get it back, no you can't
All you gave, can I get it back, no you can't, XSo

All I need in this life is sin
Is a down ass chick and you ain't it
Thought you was real but you ain't shit
No, you can ride in a truck but you can't sit

See you must call me Mr. Scrooge
All dot, my dot, no shit no for you
But if I spend I'mma really spend
I'll put you on an Island next to Gilligan

And it's way too late for the boo hoo's
Sorry game over, you lose
Saw you're new man I keep it all cool
And I got a new thorough chick to feed me taco's
