(After his forces are defeated, the Duke stands alone but still.

Commanding the blue flame, who will be the victor?)

Victory, the time and place is now  
Destiny, which one will survive  
Blood ain't thicker than water  
Braveheart tells his troops  
So watch my back for sneak attack  
For we shall not be fooled  
Circling each other  
The tension's running high  
For on this day the Duke foretold  
That Braveheart you will die

The Duke laughs loud  
And summons up his power  
A bolt, of blue  
Crashes on from high  
Like an arrow straight at Braveheart  
He deflects it with his sword  
With this the legions of the Duke  
Let out a mighty roar  
The ground is fried around them  
And smoke it dulls the eyes  
Of Braveheart as he staggers  
From left and to the right

Clash of the titans  
Clash of the titans  
Payback time

Now, Braveheart  
I have you in my grasp  
The crown is mine  
I'll rule this land at last  
But as the Duke delivered  
What he thought was the final blow  
The steely gaze of Braveheart's sang  
What you reap you also sow  
Then from the ranks of honour

The Shield of Darkness flew  
Into the hands of Braveheart  
Knowing what to do

The Shield was now protecting our hero  
No more the Duke could see where he did go  
And as he reappeared, slashing to the heart  
With grave surprise of Duke Kron's face  
As the sword it hit it's mark  
Power and the fury arupted all around  
And in the midst of smoke and fire  
The Duke was finally downed

He was downed
