As this landing illuminates  
Cold and pushed away  
Where are we  
Wrapping ourselves in one hundred years of poison  
Awaiting winter old  
Before you i am pending what could be  
This will be the change  
This will be the song to right the wrongs  
And it's already done so  
Forever it is written  
It's been a long time  
I feel it too  
But i have pushed for so long to see this through  
In the middle now  
This song with melody that transcends measure and  
time  
Written on pages of purity  
I was always waiting for you and your struggle  
I've seen the fall  
I've been there before but I never fell  
This will be the change  
This will be the song to right the wrongs  
And in the end what I want  
Is a song  
And it's already done so  
Forever it is written  
It's been a long time  
I feel it too  
But I have pushed for so long to see this  
And in the end what I want  
Is a song that means what it says  
And I'll show up in your life  
Singing the answers i wish i could find  
Forever this will be the song  
To right the wrongs  
Forever it is written  
This will be
