Where are we
Laughing ourselves in one hundred years of poison
Awaiting winter old
Before you, I am pending what could be

This will be the song to right the wrongs
But its already done so forever
It is written
Its been a long time
I feel it too
But I have pushed for so long to see this through

In the middle now
this song
With melody that transcend
measure and time
Written on pages of purity
I was always waiting for you
and your struggle

this will be the song to right the wrongs
And in the end, what I want
is a song(is a song)is a song

But its already done so forever
It is written
Its been a long time
I feel it too
But I have pushed for so long to see this

And in the end, what I want
is a song(is a song that means what it says), is a song
And I'll show up in your life
singing the answers I wish I could find

Forever this will be the song
to right the wrongs

Forever it is written
This will be
