When I Am Far Away. Copyright. Words and Music by
Xanthe Littlemore

1) When I'm down I can't see You
When I'm down You are gone
When You go the lights go out and I don't know
The way to get the vision turned back on

2) You told me You would stay here
You told me we could talk
Would You leave a child alone without a home
And without no shoes, and such a way to walk?

Ch) When I am far away from You
I don't want anyone to see
I don't want anyone to know
The little child inside of me

When I am lost and all alone
