I love you one hundred percent, yes, I do
And I often wonder if you would love me too
I love you one hundred percent, yes, I do
And I'll make you see that this heart of mine is true

I love you one hundred percent, yes, I do
And I often wonder if you would love me too
I love you one hundred percent, yes, I do
And I'll make you see that this heart of mine is true

You'd love him too if you could see this boy as sweet as boy can be
And every time he looks at me, I pray it's not just casually
Tonight I'm wearing no disguise, I'm looking deep in to his eyes
And tell him no more lies

So many times I wish I said, I cried a thousand tears instead
Over his photo by my bed, but now it's time I look ahead
Yes, he's the one I dream about, I'll wait no more and say out loud:

I love you one hundred percent, yes, I do
And I often wonder if you would love me too
I love you one hundred percent, yes, I do
And I'll make you see that this heart of mine is true

I love you one hundred percent, yes, I do
And I often wonder if you would love me too
I love you one hundred percent, yes, I do
And I'll make you see that this heart of mine is true

Ooh lalala lalalala

Ooh lalala

Ooh lalala

So many times I wish I said, I cried a thousand tears instead
Over his photo by my bed, but now it's time I look ahead
Yes, he's the one I dream about, I'll wait no more and say out loud:

I love you one hundred percent, yes, I do
And I often wonder if you would love me too
I love you one hundred percent, yes, I do
And I'll make you see that this heart of mine is true

I love you one hundred percent, yes, I do
And I often wonder if you would love me too
I love you one hundred percent, yes, I do
And I'll make you see that this heart of mine is true
And I'll make you see that this heart of mine is true

I love you one hundred percent, yes, I do
