[Diegu:]

Aveline, I'm glad you wish to end this status quo

[Aveline, Diegu:]

On our way to find a way

[Aveline:]

To set away our differences
My heart is true, I hope my adversary
Feels just like I do

[Diegu:]

No one knows what lies ahead

[Ensemble:]

Primos and Aveline joining hands?

[Diegu:]

Peace at last, that is unless he pretends

[Lord Primos:]

Aveline, so glad you're here - now

Where do I begin

In a way, we both want change

I too am tired of this fight

Yes, in the end I'm sure you'll come to

Terms with all that serves you right

[Diegu:]

No one knows what lies ahead

[Ensemble:]

Primos and Aveline joining hands?

[Diegu:]

Peace at last, that is unless he pretends

[Aveline:]

You might pretend to be someone I can

Rely on - it's so hard

You might pretend to be someone I can

Rely on

[Lord Primos:]

Trust in me

Yes, my heart is true

And believe the things I reveal to you

Please, trust in me

Yes, my heart is true

And believe the things I reveal to you

[Diegu:]

May fortune smile upon us all

[Death:]

The time has come - you know what

Must be done

[Lord Primos:]

Yes - I know, no reason to be hasty

[Death:]

Don't be a fool - you have to follow through

[Lord Primos:]

I am aware - just sharpening my senses

[Death:]

His eyes turn red, his hatred grows...

Grows

To quench his thirst he will spill blood...

Blood

[Lord Primos:]

Aveline, it's all so clear

The future begins here

It's a time for new ideas

We'll set away our differences

The heart is true, I am sincere - just tell

Me what you want to hear

[Diegu:]

No one knows what lies ahead

[Ensemble:]

Primos and Aveline joining hands?

[Diegu:]

Peace at last, that is unless he pretends

[Aveline:]

You might pretend to be someone I can

Rely on - it's so hard
You might pretend to be someone I can
Rely on

[Lord Primos:]
Trust in me
Yes, my heart is true
And believe the things I reveal to you
Please, trust in me
Yes, my heart is true
And believe the things I reveal to you

[Diegu:]
May fortune smile upon us all

Aveline, [Diegu:]
A new dawn arrives
When we turn the page
And truly change our ways

[Lord Primos:]
Could it be really all I need,
Is to feed my hunger for power?
Could it be really all I need - is to feed?

[Aveline, Lord Primos:]
We share a common fate: our lives
Are intertwined
For all time...

[Lord Primos:]
Unless... I intervene... and take control...
Yes... that's it: I will fill the void inside
My soul... with power... I must!
My heart: an empty shell... goodbye
Aveline... I have chosen my path
Now grant me strength!

[Death:]
Yes...

[Diegu:]
This will be your last mistake Primos!

[Death:]
No!

[Diegu:]
Hurry Aveline, we must leave at once!

[Lord Primos:]

Intertwined... for all time...

[Death:]

Rise!
