[Aveline:]

I still remember -  
When I put my faith in you  
Every prayer I made would help me  
Follow through...

I have been robbed of my saviour and my guide  
And now I am left alone, in solitude I hide...

Once upon a time,  
I thought we shared a dream  
Now only echoes remain

I turned to you in my time of need  
And where were you  
Was it all in vain?

I still believe -  
A new dawn may arrive  
Every step I take, brings me closer to  
What I strive

And now I stand alone... Forsaken but  
Still with pride  
Please give me a sign, I need you by  
My side

Once upon a time,  
I thought we shared a dream  
Now only echoes remain  
I turned to you in my time of need  
And where were you  
Was it all in vain?

[Diegu:]

I hear your silent cries  
Yes, I've failed to be all I can  
I'll be there to guide you through,  
I swear!  
Now I see...

[Diegu, Aveline:]  
I see there's more that meets the eye  
More than just a fragile soul  
I know now who to be  
Now we are free

[Aveline:]  
You'll be here... in my time of need

[Diegu:]  
I'll be here... in your time of need

[Diegu, Aveline:]  
Once upon a time we shared a dream  
A dream that'll never die...
