Intoxicating pleasure
nothing is so sweet
honey, than the blood in my veins.
Now the way im feelin
I'm not as sure im heat
I can't wait to go down in flames.
Ow

I'm closing on you'r body
you shiver at my touch
tell me baby, what can i do?
Wiggin' like a junkie
need a sugar rush
lemmie love the hell out of you.
You gotta gimmie something
Oh yeah
you gotta give it now.
Oooh, well it feels good
take it all the way
come on honey, jump all around
Feels good
take it all the way
can you hear the call of the wild?
Come on, rock on boys.
Ooo I'm on fire
I'm nervous alright
heaven knows im ready to burn.
Like rollin out thunder
livin' to the night
Where they commin' never return.
You gotta gimmie something
oh yeah
you gotta give it now
ooo yeah
Well, it feels good
take it all the way
come on honey jump all around.
Feels good
take it all the way
can you hear the call of the wild?
Ooo soo good, soo good baby!

oh yeah
dig it
Yeah yeah
Ow!
By the way a fever
well i guess your not heat
I can't wain to go down in flames.
When it feels good
take it all the way
come on honey jump, jump all around.
Feels good
take it all the way
can you hear the call of the wild?
When it feels good
yaaaah yaaahe
jump all around.
Feels good
take it all the way
baby, can ya feel it, oh yaaaah yaaaah.
oooo

ohh
