Versus:

Everybody doubting me, Said that it would never be
Everything you promised me, oh woohoo, But the
moment that I dreamed
I found some better company, But deep inside my
heart I know
I know that you made me a promise

Chorus:

Jesus your the way n the promise, Miracles are raining
down on us
The promise, the promise
Now I'm stepin' into my purpose, See everything else is
worth it
Now that I'm living the promise
The promise, the promise

Versus:

The promise of yes we can, the change of life, more
than man
The power of a dream, that changes things, oh woohoo
A promise nailed up on the cross, a promise that will

I'm so glad he paid everything, guaranteed a promise

Chorus:

Jesus you're the way n the promise, Miracles are
raining down on us
The promise, the promise
Now I'm stepin' into my purpose, See everything else is
worth it
Now that I'm living the promise
The promise, the promise

Versus:

Now I know your not a man, that u should lie
But trust and believe, and I'll tell u why
Never broke a promise, Never crushed my fragile
dreams, oh woo
So I'm standin' right here, Standin' my ground
Thankin' the Lord, For the purpose I found
I promise forever, Together

Bridge:

I believe (x2), yea

I believe (x3), oh woohooo

Chorus:

Repeat(x3), Y'anna Adlibs throughout...
