Oh let us rise
Above the bones
Let us remember the memories

Filled with compassion
Not scarred by hunger
No not blinded by the ashes of the past

My eyes have not seen it
yet it in my soul I know
No conception is hidden
Let there be love

I wanna go home
Take me home
I've got to go home
Take me home

And we gonna rise yeah
High above the flames
Our hearts open as the endless sky
No more deception
No more shame
Just a reflection of the natural high

Ah do you remember that melody
Ah oh yeah do you remember that song so free
Yeah I wanna go home
Take me home
I've got to go home
Take me home

Oh let us rise
Above the bones
Let us remember the memories
No more afraid
No more alone
Let our spirits fly so free

In my arms a little child wrapped tight in prayer
Safe from harm oh yeah
Ever guided by Jah Jah fire

I wanna go home
Take me home
I've got to go home
Take me home
I wanna go home
Take me home
Got to go home

So take me home...(repeat)
