Why she does what she does?
Your guess is good as mine
I've been seeking head highs and above
Right now a ripple would be fine

She made me fall so in love
She's got me ridin' so high
She tests my patience just because
She knows that she's the only one
Who is on my side, yeah

She captures my imagination
And everything in between
She fills my soul with inspiration
And she washes my spirit clean

So I sing of her glory
'Cause I live by her grace
And I'll follow this coastline journey
Just to see her shining face

No man can contend with her forces
Yet she is so fragile
She's got countless brave white horses
In her arms I'm just a child, know this

She made me fall so in love
She's got me ridin' so high
She tests my patience just because
Well, she knows that she's the only one
Who is still by my side, yeah

Why she does what she does?
