There is more to love than ever meets the eye
There are waves in my soul and tears in the sky
There's a calm in my heart like the eye of a storm
There's a message I'm singing in the early 'morn

There's a need for rain when the rivers dry
When the earth's alone and the angels cry
Like water I need you to fall on me
I've run out of reasons to stay out at sea

I wanna get you to you
In a serious way
We got so much to do
In a serious way
I'll give you love so true
Cause I wanna wake up with you everyday

There is more to love than ever meets the eye
There are waves in my soul that fall and rise
We must move to the mystic from deep inside
Rise up in the morning with the new sunrise

There is more to love than the physical touch
Compassion in the heart means so much
Sometimes it's a word, sometimes it's a smile
I'm letting you know I've been cool all the while

I wanna get you to you
In a serious way
We got so much to do
In a serious way
I'll give you love so true
Cause I wanna wake up with you everyday
Yeah I wanna wake up with you everyday

In a serious way
More to love
Everyday
More to life
In a serious way
More to love, yeah
I'm letting you know I've been cool all the while

I wanna get you to you
In a serious way
Cause we got so much to do

Laa, la, la, yeah
Laa, everyday
Laa, la la, yeah, yeah, yeah,
In a serious way
I'm letting you know I've been cool all the while
