We ain't gotta go all the way
But baby we can do some things
A little game I like to play
Listen shawty

We ain't gotta go all the way
But baby we can do some things
A little game I like to play
Called

Just a kiss, just a kiss, just a kiss
Ooh ooh ooh girl
Just a kiss, just a kiss,
Can we play, can we play (2x)

You don't need to be nervous
I know I just met ya
These other girls lookin'
But I'll never disrespect ya babe,
This's gonna be okay, yeah

You was pretty as a picture
I want you in my room
You whisper in my ear
I don't wanna move to soon, okay
This's gonna be okay ay yeah

Ooh, your body's soft
Now take that jacket off
I think we gon' be good friends yeah
Shawty, no need to be scared
If you don't wanna go there
No days before we begin
We ain't gotta go

We ain't gotta go all the way
But baby we can do some things
A little game I like to play
Listen shawty

We ain't gotta go all the way

But baby we can do some things
A little game I like to play
Called

Just a kiss, just a kiss, just a kiss
Ooh ooh ooh girl
Just a kiss, just a kiss
Can we play, can we play (2x)

Now we're flirtin' and jokin'
And I can see that you're open
Everything I'm doing,
I can tell that you love it, babe
You like the way we play yeah
So we touchin' and teasin'
Now you got me feenin'
What? now we want
The next step for pleasin', babe
But we can win another day.

Ooh, your body's soft
Now take that jacket off (take it off lil mama)
I think we gon' be good friends
Shawty, no need to be scared
If you don't wanna go there
No days before we begin, woah
We ain't gotta go all the way...

We ain't gotta go all the way
But baby we can do some things
A little game I like to play

We ain't gotta go all the way
But baby we can do some things
A little game I like to play
Girl

Just a kiss, just a kiss, just a kiss
Ooh girl
Just a kiss, just a kiss
Can we play, can we play

Just a kiss, just a kiss, just a kiss
Ooh girl
Just a kiss, just a kiss
Can we play, can we play

Just a kiss, just a kiss, just a kiss
Ooh girl
Just a kiss, just a kiss,
Can we play, can we play

Just a kiss, just a kiss, just a kiss
Ooh girl
Just a kiss, just a kiss,
Can we play, can we play
