I Used To Be So Lonely,
And I Lov Ed To Be Alone
All My Life,
'til The Nights Got So Cold.
I Don't Want Too Much From You.
I Just Need Somebody Who Can Hold Me For The Rest
Of The Night.

I Could Say What I'm Supposed To.
Would That Make You Want Me More?
I Could Lie, But That Won't Get Very Far.
I Don't Want Too Much From You.
I Just Need Somebody Who Can Hold Me For The Rest
Of The Night.

I'd Like To Always Love You,
But I'll Never Know For Sure.
I Could Lie, But That Won't Get Very Far.
I Don't Want Too Much From You.
I Just Need Somebody Who Can Hold Me For The Rest
Of The Night.
