Kim olursan ol  
Ne istersen yap  
Sende bu dÃ¼nyada  
Tek basinasin  
Anne kolunda  
Baba yolunda  
Kardes yaninda  
Tek basinasin

Tek basimiza, tek basimiza, tek basimiza  
Tek basimiza, tek basimiza, tek basimiza

SÃ¼zler altinda  
GÃ¼zler altinda  
Yasam kavganda  
Tek basinasin  
Nefes alirken  
Nefes verirken  
GÃ¼lÃ¼p aglarken  
Tek basinasin

Tek basimiza, tek basimiza, tek basimiza  
Tek basimiza, tek basimiza, tek basimiza

Tek basimiza kalmisiz  
Hani anan hani baban  
Sevdiklerin gÃ¼ldÃ¼klerin  
Hani kardesin arkadasin  
Bir uÅŝtan Ã¼bÃ¼r uca  
Yayilmisiz dÃ¼nyaya  
Bir bastan Ã¼bÃ¼r basa  
Dagilmisiz dÃ¼nyaya

Tek basimiza, tek basimiza, tek basimiza  
Tek basimiza, tek basimiza, tek basimiza
