One step over the line, you're not much over the line
You are fine

Two steps over the line, still feels okay in your mind
You're still fine

Three steps over the line, three steps isn't a crime
Not a crime

Four steps over the line,
You're beginning to consider a return to the line

Five steps over the line,
One more step and you can put it behind

Get in line, get in line, get in line, get in line
Get in line, get in line, get in line, get in line

Six steps over the line, why're we talking about lines?
All you see is forms and colors and designs

Seven steps over the line,
Seems like all those steps, they have been in your mind

Eight steps over the line, you're so far gone
Now feeling close to sublime

Nine steps over the line,
Whoa, that last step felt like a c-c-c-crime

Ten steps over the line, ten steps over the line
Ten steps

And you're mine, and you're mine, and you're mine,
and you're mine, and you're mine
And you're mine, and you're mine, and you're mine,
and you're mine, and you're mine
