she's the type of girl that make you wanna run and tell
your momma
that you found her, I found her yeahh, I found her
She's the type of girl that makes you wanna put it up on
ya twitter
that you found her, I found her yeahh, I found her

There's something about the way that she moves yeah
yeah
Yet it's so innocent, & I'm so into it
I can't pretend, Could it be possibly that new girl
the one that I've never seen
, except in my dreams or on tv
When I get to talk about her my friends, they say I just
keep smiling &
texting her always they say I'm too young to be talk
always
Mama was so right to name her Diamond, Cuz she's so
rare, I swear one of a kind So fine
& its so easy to see that you're a diamond
& I can't help but noticed that you shine so bright, you
shine so bright
baby whoa oh oh oh ohoh ah oh

She's the type of girl that make you wanna step up
widd a party just to see her, to see her
yeah, yeah
she's the type of girls that makes all the other girls
around her wanna be her, they wanna be her
cause there's something about the way that she moves
yeah, yeah

yet it's so innocent & I'm so into it
I can't pretend, Could it be possibly that new girl
the one that I've never seen
, except in my dreams or on movie screen
When I get to talk about her my friends, they say I just
keep smiling &
texting her always they say I'm too young to be talk
always
Mama was so right to name her Diamond, Cuz she's so
rare, I swear one of a kind So fine

& its so easy to see that you're a diamond
& I can't help but noticed that you shine so bright, you
shine so bright
baby hey you don't even know how beautiful you are,
know you are
If your name wasn't diamond it should be star
