Mishon

Excuse my French girl, but I gotta let you know
Hey, you're so fuckin beautiful, so fucking beautiful
You're the baddest on the planet, single handed
You stole my love like a bandit, for real
So fuckin beautiful, so fucking beautiful
You are, you are
Yeah, you've been driving me bananas
Wish I had a camera,
Cause girl, you set the standard for real

Baby, I see you looking in the mirror
Putting on mascara, putting on your...
You don't see me watching you busy switching your
hair
Expression of your face, as you was hoping for better
You killed me, you bring here this love
You're not nearly, see you're a work of art
Before the make up, soon as you wake up
I just wanna kiss you and hug you
Girl I can see you even if I was Stevie Wonder
Cause girl, you're

Chorus:

You're so fuckin beautiful, so fucking beautiful
You're the baddest on the planet, single handed
You stole my love like a bandit, for real
So fuckin beautiful, so fucking beautiful
You are, you are
Yeah, you've been driving me bananas
Wish I had a camera,
Cause girl, you set the standard for real

So... the picture gets clearer
Baby, you're a winner, I'm happy to be with you
Everybody's got... yeah I hear you
But play your love, take my breath away like a hiccup
I made you giggle, uh, we're getting somewhere fast
You don't need to stare up in that glass
Add the make up to show you bad
Baby, I could have told you that

You crazy, how could you not know that
You look amazing no matter where you at
Before the make-up as soon as you wake up
I just wanna kiss you and hug you,
And if you ever think you need to sit down and wonder
Just know

Chorus:

You're so fuckin beautiful, so fucking beautiful
You're the baddest on the planet, single handed
You stole my love like a bandit, for real
So fuckin beautiful, so fucking beautiful
You are, you are
Yeah, you've been driving me bananas
Wish I had a camera,
Cause girl, you set the standard for real
