Sparks flew from the jump when I met ya
First day felt like I knew you forever
Then IÃfÃçâ, Ñ™ m like, is a whole lot of pressure
But itÃfÃçâ, Ñ™ s always better whenever we are
together
From the set to the stage right into your arms
Always there to hold me down, youÃfÃçâ, Ñ™ re my
number one
Oh boy

ThatÃfÃçâ, Ñ™ s why I donÃfÃçâ, Ñ™ t care if (they
say)
It ainÃfÃçâ, Ñ™ t the right time to be in a relationship
it ainÃfÃçâ, Ñ™ t right
But (we say) theyÃfÃçâ, Ñ™ re out of their mind
Boy we are just fine, your mine forever here we are
Stranded on this island of love
ItÃfÃçâ, Ñ™ s just you me and the star above
And they say we are too young for love
But they donÃfÃçâ, Ñ™ t know nothing about (they
donÃfÃçâ, Ñ™ t know nothing about)
WeÃfÃçâ, Ñ™ re in love x4
Forever ainÃfÃçâ, Ñ™ t long enough
With you
Stranded on this island of love

You taking me to a whole other level
Baby your touch is like a little piece of heaven
And I say that last voice message, just to hear your
voice when you canÃfÃçâ, Ñ™ t be present
Girl I know I know cause I feel the same
I canÃfÃçâ, Ñ™ t help but smile when I say your name
You are my world
ThatÃfÃçâ, Ñ™ s why I donÃfÃçâ, Ñ™ t care if (they
say)
It ainÃfÃçâ, Ñ™ t the right time to be in a relationship
it ainÃfÃçâ, Ñ™ t right
But (we say) theyÃfÃçâ, Ñ™ re out of their mind
Boy we are just fine, your mine forever here we are
Stranded on this island of love
ItÃfÃçâ, Ñ™ s just you me and the star above
And they say we are too young for love

But they don't know nothing about (they
don't know nothing about)
We're in love x4
Forever ain't long enough
With you
Stranded on this island of love

We're on this island of love (oh yeah)
Just me and you (me and you)
No matter what we go through (oh)
Our love will stay true (love will stay true)
We're on this island of love (of love)
Just me and you (me and you)
No matter what we go through (no matter what we go
through baby)
I will always love you

Stranded on this island of love
It's just you me and the star above
And they say we are too young for love
But they don't know nothing about (they
don't know nothing about)
We're in love x4
Forever ain't long enough
With you
Stranded
On this island of love
