[A guy talking]

Yeah

My my

It's a lot of people out there

That wanna get to that place

But don't know how to get there

So won't you tell it

[Mishon (Tika)]

Don't you wanna go with me

To a place where everyone is happy

Come on and go with me

To a place where the children play freely

In the perfect place

(Where there's nothing but peace)

(And you never grow old)

(And your free of disease)

In the perfect world

(Where there's somewhere to sleep)

(And where no one would starve)

(Where there's food on your plate)

[Mishon]

Don't you wanna go

Don't you wanna come and go with me

To a place where we all know

Where everyone is happy so happy

[Mishon]

Don't you wanna go

Don't you wanna come and go with me

To a place where we all know

Where everyone is happy so happy

[Mishon (Tika)]

Don't you wanna go with me

To a place

Where it's sunny

Don't you wanna go with me

Where everything's free

No need for money

In a perfect place  
(Where there's nothing but peace)  
(Where you never grow old)  
(And you're free of disease)  
In the perfect world  
(Where no one is sick)  
(And no one would starve)  
(Where there's food on your plate)

[Mishon]  
Don't you wanna go  
Don't you wanna come and go with me  
To a place where we all know  
Where everyone is happy so happy

[Mishon]  
Don't you wanna go  
Don't you wanna come and go with me  
To a place where we all know  
Where everyone is happy so happy

[Tika (Mishon)]  
Come on and go with me  
(Come on and go with me)  
Come on and go with me  
(Come on and go with me)  
Come on and go with me  
(Come on and go with me)  
Come on and go with me  
(Come on and go with me)

[Mishon (Tika)]  
In the perfect place  
(Where there's nothing but peace)  
(And you never grow old)  
(And you're free of disease)  
In the perfect world  
(Where there's somewhere to sleep)

[Mishon]  
Don't you wanna go  
Don't you wanna come and go with me
