[Chorus]

You're so fucking beautiful  
So fuckin beautiful  
You are, yeah, you the baddest on the planet  
Single handed, you stole my heart like a bandit, for  
real  
You're so fucking beautiful  
So fuckin beautiful  
You are, you've been driving me bananas  
Wish I had a camera, cause girl you set the standard,  
For real  
Whether you sinking in the mirror  
Putting on mascara, putting on your pistilla  
You don't see me watching you busy switching your  
herer  
Expression on your face as you was hoping for better  
You kill me, you didn't hear this love  
Do you not really, see you're a work of art  
Before the make up, soon as you wake up  
I just wanna kiss you and hug you  
Girl I can see it even if I was stevie wonder  
Cause girl

[Chorus]

You're so fucking beautiful  
So fuckin beautiful  
You are, yeah, you the baddest on the planet  
Single handed, you stole my heart like a bandit, for  
real  
You're so fucking beautiful  
So fuckin beautiful  
You are, you've been driving me bananas  
Wish I had a camera, cause girl you set the standard,  
For real  
Yesterday we make other picture gets clearer  
Baby you a winner, I'm happy to be with ya  
Everybody's got insecurities, yeah I hear you  
But girl your love take my breath away yeah like a  
hickup  
Yeah I made you giggle, uh, we getting somewhere  
fast  
You won't need to stare up in that class

Added make up to show you bad  
Baby I could have told you that  
You crazy, how could you not know that  
You look amazing, no matter where you're at  
Before the make up, soon as you wake up  
I just wanna kiss you and hug you  
And if you ever thinking, you need to sit down and  
wonder  
[Chorus] x 2  
You're so fucking beautiful  
So fuckin beautiful  
You are, yeah, you the baddest on the planet  
Single handed, you stole my heart like a bandit, for  
real  
You're so fucking beautiful  
So fuckin beautiful  
You are, you've been driving me bananas  
Wish I had a camera, cause girl you set the standard,  
For real.
